

THE OBJECT GAME

(Kadesh)

Wine can be used to degrade or elevate. As Jews, our job is to engage with physicality, while imbuing it with holiness.

How to Play:

- Each person around the table picks a random object from the house e.g. a box of tissues
- Choose which person's object to start with.
- The person to their left has to suggest how it could be used in a positive way.
- The next person to their left has to suggest how it can be used in a negative way.
- Keep on switching (positive / negative) until the ideas run out or everyone has had a go.
- Now pick the next object and repeat.

Examples:

- **A KNIFE** – to cut and prepare food for others / to inflict pain.
- **A BOX OF TISSUES** – to stop a bleeding finger / to stuff in someone's mouth to shut them up.

'Any tool can be used for good or bad. It's really the ethics of the artist using it'

– John Knoll
